# HONOR CODE STATEMENT

I understand that Brazos Christian School takes an open stand for the Lord Jesus Christ and encourages Students to grow in Him. I also understand that by signing this Code, I pledge to live by the standards of this Code which have been established for my own good and for the good of the entire school community. I further understand that if I violate any of the Honor Code's stipulations, I bring upon myself the disciplinary actions described in the BCS Handbook.

1. Since feelings as well as physical bodies can be hurt, Students must avoid insults or unkindness toward one another. A climate of mutual respect in word and deed will be sought.
2. Since a safe and secure environment is desirable and since rough housing can result in unintentional harm, Students must refrain from physical interference such as tripping, poking, hitting, etc.
3. Since appropriate response to authority is critical to the shaping of a Student's life in every way, Students must obey instructions and exhibit respect toward Teachers and the school's staff and its supporting adults, promptly and willingly, avoiding a display of negativism of action, attitude, and tone.
4. Since words have an integrity of their own and God expects man to be a steward of thoughts and expressions, Students will refrain at all times from language which is vulgar and inappropriate and which demeans either God or mankind.
5. Since the school's physical facilities exist as God's provision and some habits may not be consistent with responsible stewardship of the school's "home," Students may take food outside to designated eating areas, including entering any vending area, only with a supervisor's or Teacher's permission. Chewing gum may not be used on campus.
6. Electronic devices (including but not limited to laptops, e-readers, tablets, iPods, etc.) are permitted on campus only with special permission from the administration. Cell phones are to be off and away during school hours.
7. Since part of learning to live and work joyfully and productively together involves exhibiting sincere respect for others and their rights, Students will exhibit courtesy toward Teachers and other Students when asking questions and participating in classroom discussions. Students will otherwise conduct themselves in a manner that does not distract or detract from the learning environment.
8. Since Students deserve the right to manage their own belongings responsibly and individually, each Student should protect the property rights of others and refrain from meddling with the personal or assigned property of others.
9. Since clean, neat, and wholesome surroundings contribute to the educational environment of everyone, Students should do everything within their power to keep themselves, the school, and its campus neat and clean, as well as themselves, and avoid destruction or defacement of school property in any form.
10. Since Parents and staff place a premium upon the safety of all Students, all Students should remain only in authorized areas of the building or grounds and avoid exploring other areas without appropriate prior approval and authorized accompany.
11. Since inappropriate noise and unusual activity can distract others, Students should walk quietly and orderly between locations in the buildings.
12. Since the school desires to eliminate distracting behavior while promoting mutual respect for one another, Students will refrain from public displays of affection or dislike.
13. Since living and working punctually, purposefully, and productively together involves self-discipline, dependability, and reliability, Students will be prompt in their arrival to class and for other school events.
14. Since fidelity to truth in all its forms is a way of honoring God, as well as a means of cultivating all meaningful human interactions, Students will exhibit honesty in all their dealings with the staff and Students of the school and its activities.
15. Since the school cares about the health and well-being of its Students, the possession or use of drugs, alcohol, tobacco, or weapons on campus is forbidden.
16. Since one's actions impact not only one's own life but also the lives of others, poor actions committed off campus and even at non-school functions that are considered potentially detrimental to a Student's well-being and/or the school's reputation in the community, may result in the Student being placed on probation or expelled immediately, if the school deems it necessary. (Such behavior includes, but is not limited to the possession or use of drugs, alcohol, or tobacco, or the misuse of weapons or firearms.)
17. The school, as needful and advisable, may add to or refine the above Honor Code in the best interests of its Students and the mission of the school.
18. Students who violate the letter and/or the spirit of this Code will be subject to counsel and to disciplinary action.

# STATEMENT OF FAITH

## Brazos Christian School Statement of Faith

1. We believe there is one God, eternally existent in three Persons: the Father, the Son and the Holy Spirit.
2. We believe in the deity of Christ, in His virgin birth, in His sinless life, in His miracles, in His vicarious and atoning death, in His resurrection from the dead, in His Ascension to the right hand of the Father, and in His personal return to power and glory.
3. We believe the Bible to be inspired and the only infallible, authoritative Word of God.
4. We believe in the absolute necessity of regeneration by the Holy Spirit for salvation because of the exceeding sinfulness of human nature; and that men are justified on the single ground of faith in the shed blood and resurrection of Christ, and that only by God's grace and through faith are we saved.
5. We believe in the resurrection of both the saved and the lost; they that are saved unto resurrection of life, and they that are lost unto the resurrection of damnation.
6. We believe in the spiritual unity of believers in Christ.
